Thanks to a very generous donation from longtime Temple Har Zion members Hai and Carol Solomon, our Synagogue has purchased a Sefer Haftarot scroll. Like a Torah scroll, it was handwritten on parchment by a scribe in Israel. The Sefer Haftarot scroll is different from a Torah scroll in that it has spaces for handwritten dedications and the vowels and trope are included in the text which will allow members of our Temple community to read from it with the same ease as reading directly from the Chumash or the Bar/Bat Mitzvah booklets.

The Sefer Haftarot scroll can be used throughout the year by anyone who chooses to read from it. We hope our young people and adults will consider reading from the scroll on the occasion of their Bar or Bat Mitzvah.

The Sefer Haftarot scroll provides a wonderful gifting opportunity for our Congregation. While the Solomons have underwritten the purchase of the scroll itself, we will also need crowns, breast plate and a white mantle (scroll cover) to be used during the High Holidays.

We are asking congregants, friends, and family to sponsor an individual Haftarot or an entire Book of Haftarot, such as the book of B'reishit. Anyone who sponsors a Haftarot portion will have an opportunity to have a personalized dedication written in the scroll. The dedication can mark a special occasion, such as a Bar or Bat Mitzvah, wedding, anniversary, birthday, or in remembrance of a loved one. The Sefer Haftarot scroll can be inscribed in either English or Hebrew. We can only have two sponsors for each Haftarot, so place your order early.

The proceeds from the Sefer Haftarot project will also help the Synagogue maintain our existing Sifrei Torah, as some are in need of repair. The rest of the proceeds will go to support the Temple Fund, our Religious School, Early Childhood, and Adult Education Programs.

Please join us in thanking the Solomons for their generous gift by sponsoring an inscription in our Sefer Haftarot.
